

■ Company presentations (free to attend)

Date and time	Hall A1 (3F, Convention Center)	Hall A2 (3F, Convention Center)	Hall A3 (3F, Convention Center)	Hall A4 (3F, Convention Center)	Hall B (4F, Convention Center)	
24th (Wed.)	10:30 ~ 11:20	Lallemand Biotech Co., Ltd. (1/2) Pig farming: Pre-emptive Sow and Piglet Preparation Steps Leading to the Successful Growth of Fat Pigs	Adisseo Asia Pacific Adisseo's initiatives in digitalisation and data science to optimise animal productivity	J. RETTENMAIER & SÖHNE (JRS) (1/2) Role of Fiber for Poultry Farming	YE DIGITAL Corporation (1/3) Streamlining Feed Distribution	Japan Livestock Industry Association (1/2) Farm HACCP Certification Program
	11:30 ~ 12:20	Marubeni Nisshin Feed Co., Ltd. Lecture by Industry Leader	Prifoods Co., LTD. HYPOR: Breakthroughs in Asia and the Driving Force	ROKKU Chemical Products Co., Ltd. (1/2) Special BactAcid (Bypass Organic Acid) Carriers and Anti-virus Measures of Various Foreign Countries for Pig Farming	NAKAJIMA SEISAKUSHO CO., LTD. The Next Generation of Cleaning Robots: Made in Japan, Made in Nakamatic.Cleaning Broiler Chicken Coops and Pig Pens: Two Robots That Will Change the Future of Livestock	SANYO TRADING CO., LTD. / YPTECH Co., Ltd. (1/6) Thinking about Piglet Health Based on Pigs: The Power of Butyric Acid (presented by: YPTECH)
	13:00 ~ 13:50	SHIMA TRADING CO., LTD. Reducing the Mortality Rate by Administering Gum Arabic at Pig Farms Where Gastric Ulcers Have Occurred	Church and Dwight Co., Ltd. (1/2) Prevention, Protection, and Recovery: An Approach to Reduce Health Issues and Improve Agricultural Profitability	KANKYO TECHSYS Co., LTD. Example of Using Eco-Feed for Pigs to Increase Results and Meat Quality	OMIYA SEISAKUSHO CO., LTD. Chicken Agri! Has Arrived! A Chicken Catching, Loading, and Cleaning Robot to Offer a Fresh Spin on Outdoor Work!	Boehringer Ingelheim Animal Health Japan Co., Ltd. (1/2) Boehringer Ingelheim's Poultry Farming Vaccine Lineup
	13:30 ~ 14:50	CJ Japan Corp. (1/2) Functionality and Utilization of Next-Generation Amino Acids 1: Involvement of Amino Acids in Summer Heat Measures, Stress Relief, and Muscle Mass Building	Jimmax Japan Co., Ltd. (1/2) Improving Productivity by Combining the Use of Enzymes and Probiotics for Pig and Poultry Farming	CIMCO Co., Ltd. (1/2) CIMCO SPF Breeding Pigs and Using Them for Breeding Improvement:Male Line-Based Approach to Improve the Meat Quality of Japanese and Overseas Breeding Pigs	HAMADA MANUFACTURING CO., LTD. Livestock manure treatment: Say Goodbye to Livestock Manure Treatment Problems! A Livestock Manure Dry Combustion System That Handles High Water Content, Reduces Volume, and Is Environmentally Friendly	MSD Animal Health Co., Ltd. (1/2) Proposals to Resolve Poultry Farming Business Issues (EXZOLT and SPHEREON)
	15:00 ~ 15:50	ASKA Animal Health Co., Ltd. Recent Amino Acid Trends	Iwatani Camborough Co., Ltd. (1/2) PIC's Latest Genetic Improvements and Technologies	Alltech Japan Maximizing Breeding Performance by achieving Smooth Piglet Delivery With Few Problems	Yamamoto Corporation (1/2) One Chicken per Second! The Grading Revolution Is Here! GRDY3001	HIPRA JAPAN LLC Domestic Examples of VEPURED® (An Edema Disease Vaccine) and Advantages of Using Intradermic Needle-Free Dosing Devices
	16:00 ~ 16:50	EW Nutrition Japan K.K. What We Can Learn From Coccidiosis Measures of Europe and the USA: Four Effects of Tannins and Saponins	Topigs Norsvin(HINODEBUSSAN CO., LTD.) Introducing the TN70 Sow, a Global Standard	JAPAN NUTRITION Co., Ltd. Japanese Functional Additives Distributed Around the World	Yoshimoto Agri Co., Ltd. Managing Pig Pen System Data	YONICHI CHEMICAL INSTITUTE Co., Ltd. Summertime Measures and Utilizing Eggshell Enhancing Materials
25th (Thu.)	10:30 ~ 11:20	Lallemand Biotech Co., Ltd. (2/2) Poultry farming: Understanding the Intestinal Microorganisms in Chickens	Japan Livestock Industry Association (2/2) Farm HACCP Certification Program	CENTRAL TRINITY CO., LTD. What You Can Do Starting Today to Stop Rats From Getting Established on Your Farm	ISHII CO., Ltd. Tsutaeru Zo, a Chicken Coop Environment Monitoring System	Nisseiken Co., Ltd. Japan's First PRRS Inactivated Vaccine: Safety-Related Data and Examples of Farm Use
	11:30 ~ 12:20	Sumitomo Chemical Co., Ltd. (1/2) Improving Broiler Productivity by Supplementing Creatine With Creamino™	Iwatani Camborough Co., Ltd. (2/2) Latest Equipment for Personnel, Labor, and Energy Saving	TOA BIOPHARMA CO., LTD (1/2) Poultry farming: Responding to Necrotizing Enterocolitis and Utilizing Mixed Feed Containing Live Bacteria Lecturer: Masahiko Kaneda, representative of KPSC LLC	TOHZAI SANGYO BOEKI Inc. Sustainable Poultry Farming: Global Trends and Efficiency	SANYO TRADING CO., LTD. / YPTECH Co., Ltd. (2/6) Thinking about Overseas Lawsonia Intracellularis Examples: Immune Function to Raise Healthy Pigs and the Potential of Beta-Glucans (presented by: YPTECH)
	13:00 ~ 13:50	ASAHI BIOCYLE CO., LTD. (1/2) Intestinal Bacteria of Chickens and Pigs: The Latest Trends (1)	DSM Japan K.K. (1/2) Proposed Poultry Farming Solutions Based on Three Pillars: Protect, Perform, and Promote	TOA BIOPHARMA CO., LTD (2/2) Pig farming: Boosting Disease Resistance Is Better Than Providing Treatment Lecturer: Masuo Sueyoshi, chairman, Miyazaki Veterinary Medical Association (former professor at the Miyazaki University Department of Veterinary Sciences)	DAIYA CO., LTD. Daiya's New Comprehensive System: The Evolving Pig Farming IoT	Elanco Japan KK. (1/2) A New Approach to Improve Results During the Piglet Suckling Period
	13:30 ~ 14:50	ASAHI BIOCYLE CO., LTD. (2/2) Intestinal Bacteria of Chickens and Pigs: The Latest Trends (2)	DSM Japan K.K. (2/2) Preparing and Protecting Candidate Pigs to Achieve Optimal Lifetime Results	Eco-Pork co., Ltd. Eco-Pork DX Technology to Make Pig Farming Sustainable	Hytem Co., Ltd. 60% of the World's Population: Aiming to Be a Leader in Asia's Egg Farm Automation (EFA) Field	Elanco Japan KK. (2/2) Future Challenges in the Poultry Farming Industry: A New Approach to Improve Productivity
	15:00 ~ 15:50	Mitsubishi Chemical Corporation Contribution of the Spore-Forming Bacterial Agent LACRIS™ to Livestock Production Through Improved Intestinal Function (Takamitsu Tsukahara, representative director and president, Kyoto Institute of Nutrition & Pathology, Inc.)	ISA Japan Co., Ltd. Improving Breeding With Hendrix Genetics Chicken Breeds	SANYO TRADING CO., LTD. / YPTECH Co., Ltd. (3/6) Knowledge From Denmark: The Latest Protein Information and Biosecurity Examples (presented by: YPTECH)	YE DIGITAL Corporation (2/3) Livestock DX	Kyoritsu Seiyaku Corporation (1/2) Damage Due to Chronic Coccidiosis and Measures Taken Around the World: EVANT, a Coccidiosis Live Vaccine
	16:00 ~ 16:50	Genkoji Research institute Co., Ltd. Various Effects and Uses of Black Koji for Livestock	Huvepharma Japan Co., Ltd. Unique Drug-Resistant Bacteria Reducing Effects of the Antibacterial Feed Additive Flavomycin®	MIYARISAN PHARMACEUTICAL CO., LTD. (1/2) Effectiveness of Butyric Acid Preparations on Egg-Laying Hens (tentative)	Nyusando Co., Ltd. The World's First High-Speed Chicken Manure Sanitizing Dryer That Uses Microwaves!	Kyoritsu Seiyaku Corporation (2/2) Damage Due to E. Brunetti and Measures Taken Against It: EVALON, a Coccidiosis Live Vaccine
26th (Fri.)	10:30 ~ 11:20	Sumitomo Chemical Co., Ltd. (2/2) Improving Piglet Development Results Through the Prebiotic Effects of SUMIFLORA™	Gurume Akushon Hanbai Co., Ltd. Measures to Prevent Foul Odors in Livestock Pens as Well as Bird Flu and Swine Fever	MIYARISAN PHARMACEUTICAL CO., LTD. (2/2) Effectiveness of Acetic Acid Bacteria on Pig Farming (tentative)	CENTRAL SCIENTIFIC COMMERCE, INC. Automating Pig Semen Quality Control and Comparison With Conventional Methods	Boehringer Ingelheim Animal Health Japan Co., Ltd. (2/2) Enterocolix, Boehringer Ingelheim's New Pig Product
	11:30 ~ 12:20	Portus Corporation What Is Mission-Critical Production Data Analysis? System Utilization and Issues in 2024	J. RETTENMAIER & SÖHNE (JRS) (2/2) Role of Fiber for Pig Farming	SANYO TRADING CO., LTD. / YPTECH Co., Ltd. (4/6) Making Lots of Piglets: Effects of Sow Health on an Increased Number of Weaned Piglets (presented by: YPTECH)	ROKKU Chemical Products Co., Ltd. (2/2) Special Salkil (Bypass Organic Acid) Carriers and Anti-Salmonella Measures for Poultry Farming	Vaxxinova Japan K.K. (Tentative) Our Company's New Products
	13:00 ~ 13:50	CIMCO Co., Ltd. (2/2) The Latest Breeding Improvement Goals for DanBred Breeding Pigs and Biosecurity in Denmark	Church and Dwight Co., Ltd. (2/2) Raising Resilient Livestock to Achieve a Consistently High Level of Performance in Spite of Various Pressures	SANYO TRADING CO., LTD. / YPTECH Co., Ltd. (5/6) Equipment for Changing Chicken and Pig Manure Into Compost Pellets (presented by: SANYO TRADING)	Yamamoto Corporation (2/2) New Plasson Nests: Communal Nests That Can Be Hung	MSD Animal Health Co., Ltd. (2/2) IDAL and IDAL TWIN (Needle-Free Serial Injectors) and Special Vaccines
	13:30 ~ 14:50	CJ Japan Corp. (2/2) Preventing Loose Chicken Bowels and Reducing the Environmental Impact Through Lower Feed CP	Jimmax Japan Co., Ltd. (2/2) Use and Expected Effects of Plant Powder Containing the Active Form of Vitamin D3 and Next-Generation Butyric Acid as Pig and Poultry Farming Feed	SANYO TRADING CO., LTD. / YPTECH Co., Ltd. (6/6) Maintaining Emergency Power Generators (presented by: YPTECH)	YE DIGITAL Corporation (3/3) Livestock DX
